Dear [REDACTED],

Thank you for your correspondence of 23 October 2023 requesting the following information:

Could you please confirm the proposed intake numbers for the following three financial years for Intelligence Officer. This refers to financial years 23/24, 24/25 and 25/26.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA). I can confirm that information in scope of your request is held.

The number of Royal Air Force Intelligence Officer positions to be recruited into for financial years 2023/2024, 2024/2025 and 2025/2026 is 12 for each year.

Under Section 16 (Advice and Assistance), it may be helpful for you to know that the number of Intelligence Officer positions is based on a current projection and may be subject to change.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact us in the first instance at the address above. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail: cio-foi@mod.uk). Please note that any reason for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioners website at <https://ico.org.uk/>.

Yours sincerely,
