Alert Number	2301-0143
Product Type	Machinery – E-Scooter
Product Identifiers	E-Scooter Barcode: 8988063681935 Charger: SJT-30E, Input: 100-240V 50/60Hz, Output: 29.4VDC 1A Scooter input not stated Battery: 25.2VDC 2.0A Batch: 681935
Product Description	Black e-scooter with red ring above the front wheel.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Electric shock and fire
Risk Description	<p>The product presents a risk of electric shock as the plug does not meet the dimensional requirements of the relevant standard. The user could access live pins when unplugging, or plugging in, the plug from the socket. Live parts are also accessible due to poor external build quality exposing bare conductors, and the minimum creepage and clearance distances were not present.</p> <p>The product also presents a risk of fire as it was inadequately earthed, with a counterfeit fuse that could not provide the required protection under fault conditions. The battery also does not meet the capacity requirements of the relevant standard.</p> <p>The product requires improvement to marking, labelling and documentation. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs & Sockets (Safety) Regulations 1994.</p>
Corrective Measures	The authority has required the recall of the product from end users. The product has been withdrawn from the market.
