Product Description	Black 3-wheeled e-scooter with grey patch on handle bars and foot plate. Foot plate states 'immotor' in red.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Electric shock and fire
Risk Description	<p>The product presents a risk of electric shock as the plug did not meet the dimensional requirements of the relevant standard, meaning a user can access live pins when plugging in, and unplugging, the plug from the socket. The product also presents a risk of fire as it was inadequately earthed, with a counterfeit fuse that could not provide the required protection under fault conditions.</p> <p>The product requires improvement to marking, labelling and documentation. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs & Sockets (Safety) Regulations 1994.</p>
Corrective Measures	The authority has required the recall of the product from end users. The product has been withdrawn from the market.
