Product Description	Silver and turquoise ultrasonic jewellery cleaner with brand “Vevor” printed on.
Country of Origin	China
Counterfeit	Unknown
Risk Type	Electric shock
Risk Description	<p>The product presents a serious risk of electric shock as the product is inadequately earthed and the clamping means was not adequately secured against loosening. The clamping could become loose over time and the lack of earthing means the product would become live at mains voltage. Meaning, if the consumer were to touch the metal parts of the outside of the product, they would receive an electric shock. The instructions provided with the product were inadequate as they did not contain sufficient information to ensure the correct and safe use of the equipment.</p> <p>The product also underwent visual testing where it was identified that some of the required technical documents and markings were not present.</p> <p>The product does not comply with the Electrical Equipment (Safety) Regulations 2016.</p>
Corrective Measures	Destruction of the product. The product has been recalled from end users. For more information, please see: https://uk.vevor.com/pages/Product-Recall-Statement
