

# Inspection of HMYOI Parc

Inspectors visited this YOI in October 2023.

We wanted to find out if things were better, the same or worse for young people since we last visited in 2022.

We did this by:

- looking around the YOI
- asking young people and staff to fill in a questionnaire
- speaking to young people
- speaking to staff and helpers
- reading documents.

## What did we find?

**Young people felt safe.**  
We gave the YOI 4 out of 4 for this.

**Young people were treated well by staff.**  
We gave the YOI 4 out of 4 for this.

**Teaching for young people was not good enough.**  
We gave the YOI 2 out of 4 for this.

**Young people had good help to get ready to leave the YOI.**  
We gave the YOI 4 out of 4 for this.

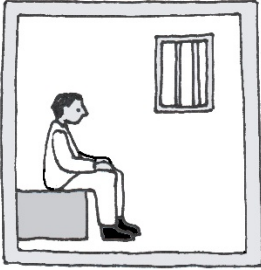

## What should the YOI do?

We want the director to read our inspection report. You can find the report in the YOI library.

We want the director to make a plan. The plan should tell us how they will fix the problems at HMYOI Parc and make things better for young people.

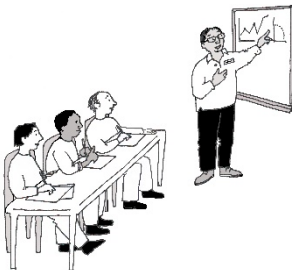

# What do we want to happen?

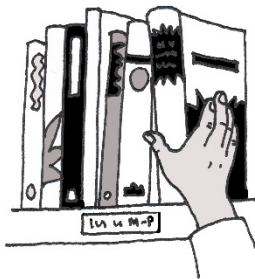

We want young people to be separated for less time. We want them to have more to do when they are separated.

We want the YOI to do more to make sure all young people are treated fairly.

We want teaching to be better. We want more young people to get qualifications.

We want the YOI to do more to help young people with their reading. We want young people to be able to borrow books they want to read from the library.

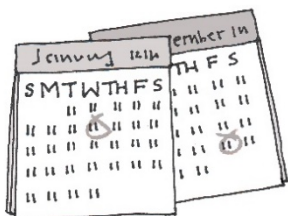

We want young people to be able to see health care staff with special skills, like speech and language therapists. We want the YOI to check that young people are getting good care.

We want young people to be able to get the skills they need for a job when they leave the YOI.

## What will we do?

We will come back next year to check how well the YOI is doing. We will write a report to tell people what we find.
