

No:

FOR THE RE-ENTRY OF REGISTERED HORSES FOR RACING, COMPETITION AND CULTURAL EVENTS INTO THE KINGDOM OF BAHRAIN FROM THE UNITED KINGDOM AFTER TEMPORARY EXPORT FOR A PERIOD OF LESS THAN 30 DAYS

NOTES FOR GUIDANCE OF THE OFFICIAL VETERINARIAN AND EXPORTER

IMPORTANT

These notes provide guidance to Official Veterinarians (OVs) and exporters. The NFG should have been issued to you together with export certificate 8736EHC. The NFG should not be read as a standalone document but in conjunction with the certificate 8736EHC. We strongly suggest that exporters obtain full details of the importing country's requirements from the veterinary authorities in the country concerned, or their representatives in the UK, in advance of each consignment.

1. **Scope**

Export health certificate 8736EHC may be used for the re-entry of registered horses for racing, competition and cultural events into the Kingdom of Bahrain from the United Kingdom after temporary export for a period of less than 30 days

2. **CERTIFICATION BY AN OFFICIAL VETERINARIAN (OV)**

This certificate may be signed by an OV appointed by the Department for Environment, Food and Rural Affairs, the Scottish Government, Welsh Government or the Department of Agriculture, Environment and Rural Affairs (DAERA) Northern Ireland, who is on the appropriate panel for export purposes or who holds the appropriate Official Controls Qualification (Veterinary) (OCQ(V)) authorisation.

OVs must sign and stamp the health certificate with the OV stamp in any ink colour **OTHER THAN BLACK**.

Certified Copy Requirements - England, Wales and Scotland

Guidance concerning return of certified copies of EHCs has changed and only specific certified copies are required to be returned to the APHA. Certifying OVs must return a certified copy of EHCs only for the following EHC types:

- if the exported commodity is cattle, pigs, sheep, goats or camelids;
- if the certificate was applied for manually and the application documents have been emailed to APHA and not applied for via the Exports Health Certificates Online (EHCO) system.

Certified copies should be emailed on the day of signature to the Centre for International Trade Carlisle (CITC) at the following address: certifiedcopies@apha.gov.uk.

For certificates that have been issued to the Certifying OV via the EHCO system, the Certifying OV must complete the certifier portal with the status of the certificate and the date of signature.

A copy of all EHCs and supporting documentation certified must be retained for two years.

Certifying OVs are not required to return certified copies of other 8736NFG (17/05/2022) (Revised 14/12/2023)

EHCs issued, however CITC may request certified copies of EHCs and supporting documentation in order to complete Quality Assurance checks or if an issue arises with the consignment after certification.

DAERA Export Health Certificates: Provision of certified copies

aPVPs certifying DECOL produced Export Health Certificates must return a legible, scanned copy of the final EHC to the relevant DAERA Processing Office within 1 working day of signing.

Good quality photographic copies will be accepted by the department, where obtaining a scanned copy is not feasible - for example, where 'on site' certification is undertaken and scanning facilities are not available.

For record purposes, a copy of the final Export Health Certificate and associated Support documents should be retained by the aPVP for a period of 2 years from the date of certification.

The Department will carry out periodic audits of all aspects of export certification to ensure that a high standard of certification is being maintained.

3. **Identification**

Paragraph I. must be fully completed. The Official Veterinarian must verify the identity of the horse by reference to its passport.

4. **Disease clearance**

The authorisation (618NDC) referred to below, which enables various paragraphs to be signed, is in relation to the official disease status specified in the relevant paragraphs, and only within the UK; all other matters such as residency, vaccination status, status of premises in respect of other diseases not covered by the 618NDC and disease status of countries/areas/premises outside the UK are for the OV to check and verify, obtaining support certification where necessary.

Notifiable disease - country/area/premises clearance

Section III e) f) and g) may be signed on behalf of the Department provided written authority to do so has been obtained from the APHA Centre for International Trade, Carlisle or from the issuing office of DAERA in Northern Ireland.

5. **Welfare**

Exporters and transporters must comply with all the legislation for the welfare of live animals during transport. The welfare conditions required during transport, are set out in Council Regulation EC No 1/2005 (as retained), implemented in England by The Welfare of Animals (Transport) (England) Order 2006, with parallel legislation in Scotland and Wales.

If transported by air, animals should also be transported in accordance with International Air Transport Association (IATA) standards.

Information about welfare during transport in Great Britain and the necessary requirements can be obtained from the Animal and Plant

Health Agency: Welfare in Transport Team

Or, in the case of Northern Ireland, DAERA at Dundonald House,
Belfast.

6. **Disclaimer**

This certificate is provided on the basis of information available at the time, and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, Carlisle or DAERA, via the link or e-mail address below:
