Annex A – Allocations Policy

Uttlesford District Council Housing

Allocations Scheme

1. Introduction

- 1.1 The Council is required, by virtue of Section 168(1) of the Housing Act 1996 to have an allocations scheme for determining priorities and the procedure to be followed in allocating housing accommodation.

•

- 1.2 We have written and published this policy so everyone can be clear how:

- Council houses are allocated
- The homes we are offered by our Registered Providers (RP) are allocated
- Applicants on our housing register have some choice about the home they are offered;
- We meet the law's requirements about people whose housing needs we should consider.
- We make best use of the available housing stock within the District
- We give preference to those applicants who have a local connection to the District

- 1.3 This Allocations Scheme has been formulated in accordance with the provisions of
 - The Housing Act 1996, as amended by the Homelessness Act 2002
 - The Localism Act 2011
 - The Allocation of Accommodation: Choice Based Lettings Code of Guidance 2008
 - The Equality Act 2010
 - The Allocation of Accommodation: Guidance for Local Housing Authorities England 2012
 - Providing social housing for local people: Statutory Guidance December 2013
 - Other relevant legislation and Guidance

- 1.4 In operating the Allocations Scheme, the Council will have due regard to legislation which shall take precedence.

2. Choice Based Lettings

2.1 The Council allocates accommodation through a Choice Based Lettings Scheme (CBL) called Home Option. The scheme enables applicants to express an interest in available properties which are advertised in a fortnightly publication and on a website. All applicants are provided with detailed information explaining how the scheme operates.

2.2 Under the CBL Scheme, applicants are able to register their interest in properties which are suitable for their household size and needs in accordance with the terms of this Allocations Policy.

2.3 Direct Lets

2.3.1 Direct Lets will not be part of the choice based lettings scheme.

2.3.2 Direct Lets may apply in the following circumstances:

- Extra care properties
- If a property is needed to house someone in council property temporarily
- In cases of where someone has to be moved immediately a direct let may be made
- In the case of a specially adapted property built for a specific person
- Decants – Council properties required to be vacated by the Council for a specific purpose
- If a previously joint applicant qualifies to be offered the property of which they were previously a joint tenant we will make them an offer of that property
- Where applicants owed the full homelessness duty by the Council under Section 193 of the Housing Act 1996 as amended who do not meet the Council's Allocation's Policy eligibility criteria.
- In cases where a multi-agency team requests a

planned move to resolve a serious management situation a direct let (one offer only to be made) may only be considered if the situation cannot be resolved by any other means and the tenant is either an existing Uttlesford tenant or the tenant of a RP property within Uttlesford and the subsequent vacancy would be allocated through the council's Choice Based Lettings Scheme

- Exceptional cases where there is an evidenced risk of significant harm to a vulnerable household, where there are no other housing options available, and which is supported by at least one other agency, for example social care. Cases to be agreed by the Asst. Director

3. The Allocations Scheme

- 3.1 Allocation of accommodation will be through the Housing Register in accordance with the provisions of the Allocations Scheme.
- 3.2 The Council recognises that there may be some exceptional situations not covered by the Allocations Scheme. In such instances, Assistant Director of Housing and Environmental Health will have delegated authority to make decisions, as he/she considers appropriate and these will be fully documented.
- 3.3 The Scheme will apply to vacancies in the Council's own housing stock and to vacancies in accommodation in the District belonging to RPs for which the Council is required to make nominations.
- 3.4 The provisions of this Allocations Scheme will apply to applicants on the Council's Housing Register at the effective date of this Allocations Scheme, as well as those who apply after the effective date.
- 3.5 **The Allocations Scheme will not apply in the following cases;**
 - Where a tenant succeeds to a secure tenancy on the death of a tenant
 - Where a tenancy is assigned to a person who would qualify to succeed to the secure tenant
 - Where a tenancy is assigned by way of a mutual exchange to an existing secure tenant or RP assured tenant
 - Where a tenancy is disposed through the courts (under

matrimonial and family proceedings)

- 8.1.2 Band A is considered the highest priority of housing need, Band B the next highest etc., with Band E being the lowest priority.
- 8.1.3 Within each Band, the applicant with the greatest priority is the applicant who has spent the longest time in that band.
- 8.1.4 Some allocations will be dealt with outside the scheme; these are explained in paragraphs 2.3 and 3.2.
- 8.1.5 Where an applicant or one of joint applicants is a tenant of the Council at the time of the application then the property subject to that tenancy will be inspected by the Council to ensure compliance with the terms of the tenancy agreement before the application is processed.

9.18.3 Any medical or welfare priority can be reassessed if an applicant's circumstances change.

9.19 Medical assessments

9.19.1 This applies if an applicant's present housing is detrimental to their health, or if a move to more suitable accommodation would have a positive effect on their health.

9.19.2 Applicants may also be awarded priority if the applicant is asking to be rehoused so they can receive care or specialist support.

9.19.3 Extra information may be sought from private sector landlords, housing officers, GPs, health visitors and other parties.

9.19.4 The table below is used to act as a guide to priority:

Effect of housing on health	Medical Problem			
	Very Serious	Serious	Moderate	Low
Very Serious	Band A	Band B	Band C	No award
Serious	Band B	Band B	Band C	No award
Moderate	Band C	Band C	Band C	No award
Low	No award	No award	No award	No award

9.19.5 Assessments of medical priority of band B or above will be carried out by two senior officers in consultation with any officers with direct knowledge of the applicants and using all information available at the time and using the above guide.

9.19.6 Applicants accepted under Homelessness legislation will not be eligible for medical priority. If a homeless applicant's temporary accommodation is unsuitable on medical grounds the Council will first look to see if alternative temporary accommodation can be found.

9.19.7 Homeless households can be considered through a medical assessment if an extra room is required on medical grounds.

9.20 Welfare/Hardship/Harassment assessments

9.20.1 This applies if at least one person in the household is vulnerable and less able to find settled or suitable

accommodation.

9.20.2 These people will have a need to move but may not get medical priority because their present housing may be suitable for their needs.

9.20.3 The table below is used to act as a guide to priority:

Need for settled suitable accommodation	Level of Vulnerability		
	High	Medium	Low
High	Band A	Band B	Band C
Medium	Band B	Band B	Band C
Low	Band C	Band C	Band C

9.20.4 Welfare/Hardship/Harassment priority of band B or above will be carried out by two senior officers in consultation with any officers with direct knowledge of the applicants and using all information available at the time and using the above guide.

9.20.5 Homeless applicants will not be looked at under welfare issues. If a homeless applicant's temporary accommodation is unsuitable on welfare grounds the Council will first look to see if alternative temporary accommodation can be found.

9.20.6 If a homeless applicant or household is particularly vulnerable and they may be at significant risk in temporary accommodation the Council can consider the category of 'accepted homeless applicants in particular need' to increase them to band A (see paragraph 9.9).

9.21 Tenants with a home that is bigger than they need

9.21.1 This applies to Uttlesford District Council secure tenants or tenants of RPs (where the Council has nomination rights), who are 'under-occupying' their homes and want to move to a smaller property. These applicants are given high priority because it enables a household with high need to move into the freed up larger home.

9.21.2 Applicants who are currently in property larger than their needs will be placed Band A.

9.21.3 Where an Uttlesford District Council tenant is downsizing to a Council or RSL property they may be eligible for a downsizing grant to help with removal costs. For further

details please see the Council's Decant Policy.

9.22 Applicants offered housing because of the death of an Uttlesford Council secure tenant

9.22.1 This applies if the applicant qualifies to 'succeed' to a tenancy when the tenant dies.

9.22.2 To be a 'successor tenant' the applicant has to meet certain rules – usually must be related to the tenant, or be their partner, and have lived in the property a certain time. The rules for this are in the tenancy conditions for the property.

9.22.3 If the successor tenant does not need the property because of its size, or the adaptations or services in the property, they may be served a notice seeking possession under Schedule 2, Ground 16 of The Housing Act 1985. This will be served more than six months but less than twelve months after the tenant's death.

9.22.4 Where successor tenants are in a property larger than they need or with major adaptations they do not require they will be placed in band A. They are able to express an interest for suitable properties under the scheme. If they have not expressed an interest within six months of their application their case will be reviewed and the Council may reserve the right to express an interest for them on suitable properties.

9.23 Uttlesford Council secure tenants offered housing because of a Relationship breakdown

9.23.1 This category applies to Uttlesford secure tenants only.

9.23.2 If a joint tenant ends the tenancy when moving out, the property is not automatically offered to the tenant remaining.

9.23.3 Applicants will be placed in Band A when there is a relationship breakdown and the joint tenant moves out and ends the tenancy and the other tenant qualifies to be offered a smaller property.

9.23.4 They will be able to express an interest for properties under the scheme but if they have not expressed an interest within six months of their application their case will be reviewed. The Council reserves the right to express an interest for them on suitable properties.

9.23.5 If a property is then subsequently refused they will have no right to remain in their current property and therefore action

will be taken by the council to gain possession of the property.

9.23.6 If an applicant qualifies to be offered the same property we will make them a direct let offer of that property.

9.24 Transfers which will release a property that is needed

9.24.1 Applicants will be placed in Band A of the scheme if they wish to move **and**

- the property they would leave is needed to meet the urgent housing needs of another household on the register which otherwise would not be met within a reasonable time **or**
- where it prevents the Council making expensive alterations to the property **and**
- there is not a serious shortage of the types of home they want to move to.

9.25 Applicants who have deliberately made their housing situation worse

9.25.1 The Council will consider whether an applicant has deliberately made their housing situation worse to increase their housing need, and consequently improve their chances of re-housing through the register.

9.25.2 If it is decided that the applicant has made their housing situation worse, they will remain in the band that reflects their housing need in their previous accommodation.

9.25.3 If the applicant was not registered from their previous address, the assessment of housing need will be based on the accommodation occupied before their accommodation changed.

9.25.4 The assessment will be reviewed after 12 months, on request. If the restriction is removed, the application will be placed in the band that reflects current circumstances. Their effective date will be the date they moved to the new band.

9.26 Owner-occupiers

9.26.1 Applicants who previously owned a property and have sold it

will be asked to provide proof of the sale and evidence of any proceeds received.

9.26.2 Owner-occupiers will generally not be eligible to join the housing register unless they are able to demonstrate that they are unable to meet their housing needs through their own resources.

9.26.3 Property owners over 60 will be eligible to join the housing register if they can demonstrate a need for sheltered accommodation.

9.27 Applicants in 'tied' accommodation which is suitable for their needs

9.27.1 Applicants are considered to be in tied accommodation if the occupation of their home is essential for the performance of their duties as an employee. This includes applicants who are accommodated by HM Forces.

9.27.2 Applicants in 'tied' accommodation will be placed in band E. They will be moved to Band C if:

- they are six months away from retirement **or**
- they have received a legally binding notice asking them to leave their accommodation.

9.28 Deciding the effective date

9.28.1 Priority within bands relates to an applicant's effective date. The effective date is usually the date the application is received, except;

- Where an applicant is moved from one band to a higher band. Their new effective date will be the date their circumstances changed.
- Where an applicant receives priority on medical or welfare grounds their effective date will be the date the Council receives the required supporting evidence to make this award.
- Where an applicant has been accepted as Homeless their effective date will be the date a relief duty was accepted, unless they already qualify for Band B with an earlier date.

9.29 Armed Forces Priority

9.29.1 Members of the Armed Forces, who are in urgent housing need who fall within one or more of the following criteria, will be placed in one Band higher than their housing need.

- Is serving in the regular forces and is suffering from a serious injury, illness or disability which is attributable (wholly or partly) to the person's service
- Formerly served in the regular forces where the application is made within 5 years of their date of discharge
- Has recently ceased, or will cease to be entitled, to reside in accommodation provided by the Ministry of Defence following the death of that person's spouse or civil partner who has served in the regular forces and whose death was attributable (wholly or partly) to that service or
- Is serving or has served in the reserve forces and is suffering from a serious injury, illness or disability which is attributable (wholly or partly) to the person's service

9.29.2 For this purpose "the regular forces" and the "reserve forces" have the meanings given by section 374 of the Armed Forces Act 2006(4)

9.30 By-passing applications that would otherwise meet eligibility criteria for an offer of accommodation

The Council reserves the right to by-pass an offer of accommodation while shortlisting applicants in the following circumstances

- The property is not in accordance with an applicants assessed medical needs
- Applicant has pets and the property is not suitable or pets are not permitted
- Applicant has housing related debt where an agreed repayment plan has been breached (see 5.4)
- Applicant is a Council or RP tenants with rent arrears (see 5.4)

- Council tenants where the condition of their current property is considered to be a breach of their Conditions of Tenancy
- If the applicant does not meet the rules relating to age or household size by the RP advertising the property.
- Other reasons where the Council deem that a sensitive allocation is necessary and this has been agreed by a Senior Manager .
- If the applicant has been offered a property and have not yet refused that offer.
- If the applicant is unable to view or accept the property within the required timescale.
- Where the applicant has not notified the Council of a change of circumstances material to their application.

9.31 Penalty for refusal of offers of accommodation

Any applicant (except from existing Council or RP tenants who are under-occupying and wishing to move to smaller accommodation) who refuses 2 offers of accommodation, for properties on which they have expressed interest, within a 6 month period, will have their application e suspended for 12 months.

10. Types of Tenancies

- 10.1 The type of tenancy an applicant will be offered will be in accordance with the Council's tenancy policy or the tenancy policy of the landlord of the property. Tenancy policies will be set having regard to the West Essex Tenancy Strategy.
- 10.2 The Council will offer joint tenancies to adult partners where there is a need for a long term commitment to a joint home, except where one of the prospective joint tenants is excluded from or ineligible to join the housing register.
- 10.3 Generally, homeless applicants residing at homeless accommodation (including the Council's managed short stay accommodation) or bed and breakfast accommodation, if offered Council accommodation, will be offered an Introductory Tenancy followed by secure or flexible tenancy in accordance with the Council's Introductory Tenancy Scheme and Tenancy Policy.

11. Tenancy Start Dates

- 11.1 The Council will allow applicants 7 days to reach a decision whether to accept any Council accommodation they are offered, although we may allow longer having regard to personal circumstances.
- 11.2 Where possible the applicant will be given an opportunity to view the property they are being offered before they have to give the Council a decision.
- 11.3 If the applicant is interested in the tenancy they will either be advised by telephone when the property is ready for letting or receive a formal offer of the tenancy by first class post.
- 11.4 Generally, for properties becoming ready for letting on Friday, the tenancy start date will be the following Monday.

12. Redecoration Scheme

Internal decorations to an Council property are the tenant's responsibility. However, if a property (excluding sheltered accommodation) offered to a housing applicant is, in the view of the inspecting officer, in need of redecoration, a voucher for the purchase of an appropriate amount of paint will be provided.

13. Designation of Property Type – Age restrictions

- 13.1 To make best use of housing stock properties are designated as being either general needs or for older persons or people with disabilities.
- 13.2 Older person's properties, such as bungalows, will normally be allocated to the following categories of person:-
- Those aged 60 or over (55 for some RP accommodation)
 - Those under 60 with Band B medical assessment who require this type of accommodation. In these circumstances single people and couples will only be offered 1 bed bungalows and will not generally be able to express interest in general needs properties (unless they have a verified need for a 2-bedroom bungalow).
- 13.3 In areas of lower demand some bungalows may be advertised without an age restriction, however, in the first instance preference will still be given to applicants over 60 expressing interest.
- 13.4 General needs properties such as houses or flats will be allocated

to persons under 60 unless there are special circumstances which indicate that a particular general needs property is suitable for and applicant who is 60 or over.

14. Allocating Sheltered Housing

14.1 When allocating sheltered housing the same general principles as for other property types are followed, apart from the following:

- An assessment of the applicants suitability and need for support must be completed before any tenancy is offered. If the applicant is considered unsuitable for sheltered accommodation, they will be advised and given advice on homes more suitable to their needs.
- When assessing suitability for sheltered housing applicants will also be given advice about the allocation scheme and how to bid. If an applicant needs help with the process, this will be noted and appropriate arrangements made.
- Applicants must generally be over 60 years of age to be eligible for sheltered housing (over 55 for some RP accommodation)

15. Properties designed or adapted for people with physical disabilities

15.1 If an applicant needs a home suitable for wheelchair users or needs other specialist adaptations we will usually require an assessment by an Occupational Therapist before an offer can be considered. (Please refer to the Council's Disabled Adaptations Policy)

15.2 Homes particularly designed for, or accessible to, people with disabilities will be advertised as such to help applicants with those needs identify them.

15.3 Properties which have been adapted to a very high standard may not be included in the scheme and may be directly allocated.

16. Reviews

16.1 If an applicant considers they have been unfairly or unreasonably treated having regard to the provisions of the Allocations Scheme they have the right to request a review of their case within 28 days of the decision

16.2 In the first instance, they must appeal in writing to the Housing Options Team Leader and will receive a written response within 10 working days.

16.3 If, having received this response they wish to make a further appeal they can write to the Housing Strategy and Operations Manager who will then review the case.

17. Equal Opportunities

17.1 The Council's allocation scheme will be operated strictly in accordance with Council policy irrespective of an applicant's ethnic origin, race, nationality, colour, religion, gender, sexual orientation, marital status, age or disability.

17.2 The Council will have regard to, and implement, the provisions of the Race Relations Code of Practice in Rented Housing, which it has adopted. The Council will also abide by the Race Relations Act 1976.

17.3 As an aid to ensuring that applicants are not discriminated against on the grounds of race, the Council will monitor the racial origin of:

- Applicants on the Housing Register
- Applicants allocated housing
- Applicants offered sheltered accommodation

17.4 The practices and procedures of Housing Services will be monitored by the Head of Service to ensure that they do not discriminate directly or indirectly. Changes will be made if it is established that practices or procedures may be contravening the Equalities Act 2010.

18. False and Withheld Information

18.1 It is an offence for anyone seeking housing assistance from us to give false information or withhold information that may affect their application for housing.

18.2 This could result in:

- Criminal prosecution
- Cancelling the applicant's housing register application (see paragraph 6.6 above)
- Possession proceedings for any tenancy an applicant has obtained as a result of giving or withholding false information

18.3 The Council may seek possession of a property under Ground 5 of Schedule 2 of the Housing Act 1985 if a tenant has induced the Council to grant a tenancy by knowingly or recklessly making a false statement. The Council can prosecute and fine up to £5,000 if found guilty.

19. Information on the Allocations Scheme

19.1 The Council will:-

- Publish a summary of its Allocations Scheme in a leaflet and provide copies free of charge on request to any member of the public
- Provide copies of the Allocations Scheme free of charge at Housing Services, Council Offices, Saffron Walden
- Enable copies of the Allocations Scheme to be downloaded on the Internet from the Council's web-site:
www.uttlesford.gov.uk

19.2 Within a reasonable period of time, the Council will notify applicants on the Housing Register of an alteration to the Allocations Scheme reflecting a major change of policy, explaining in general terms the effect of the change.

20. Review of Allocations Scheme

The Allocations Scheme will be reviewed periodically by the Council's Housing Board and any recommended changes agreed by the Council's Cabinet.

21. Consultation on Changes to the Allocations Scheme

Before adopting a new Allocations Scheme or making an alteration reflecting a major change of policy in an existing Allocations Scheme, the Council will notify every RP with which it has nomination arrangements of the change, and all local Councils affording them a reasonable opportunity to comment on the proposals.

Appendix I

For General Needs Accommodation, the number of bedrooms that working age applicants are eligible to express interest in, will be in line with the prevailing Housing Benefit Regulations on size criteria.

Size of Accommodation Allocated – working age applicants

Household Size	Number of rooms
1 adult	Bedsit/ 1 bedroom
2 adults living together as a couple	1 bedroom
1 adult (2 adults living together as a couple) expecting baby and the pregnancy is over 24 weeks	2 bedrooms
1 adult (or 2 adults living together as a couple) with either: - 1 child* - 2 children* of different sexes where neither child is over 10 years of age - 2 children* of the same sex up until the eldest child is 16 years of age	2 bedrooms
1 adult (or 2 adults living together as a couple) with either: - 2 children* of different sexes where the oldest child is over 10 years of age - 2 children* of the same sex where the eldest child is over 16 years of age - 3 children* - 4 children* regardless of sex up until the eldest child is 16 years of age	3 bedrooms
1 adult (or 2 adults living together as a couple) with either: - 4 children* where 1 child is over 16 years of age - 5 or more children*	4 bedrooms

***Parents with 'staying access' to dependent children or shared residence orders** - Applicants with a shared residence order or staying access for children are not automatically entitled to bedrooms for their children. The general principle is that a child needs one home of an adequate size, and that the council will not accept responsibility for providing a second home for children. The council will make an assessment based on the individual circumstances.

Single applicants or couples where one is over 60 years of age will be eligible to express interest in 1 or 2 bedroom designated older persons accommodation.

Appendix II

Local Lettings Plans

A Local Letting Plan is an arrangement for the allocation of properties to meet the specific needs of a locality in response to results of a housing needs survey..

Rural Housing – Exception site

When vacancies arise in properties that have been built in rural localities (rural exception sites) and a planning obligation specifies a local connection requirement, this takes precedence over the local connection eligibility in 5.2. This means that households wishing to apply for housing on an exception site who fulfil the local connection requirement set out in a planning obligation, but not the eligibility criteria in 5.2, will be eligible to join the housing register but **only** for this specific development site.

The local connection criteria for rural exception sites will be as follows and in the following order of priority

- Persons who have been permanently resident in the specified parish for at least two years
- Persons who are no longer resident in the specified parish but who have been resident for at least three years during the past five years
- Persons who meet either of the following criteria
 - in permanent employment in the specified parish for a minimum of 2 years and working at least 24 hours per week
 - having close relatives (i.e. parents, grandparents, children, brother or sister) living in the specified parish or parishes who have lived there for at least five years
- If there are no persons meeting the criteria in 1 to 3 then the cascade above will be applied to any neighbouring parishes identified in relevant clauses in the planning agreement
- In the event that it is still not possible to allocate a property to applicants who meet criteria 1 to 4 above then the property may be allocated to applicants who meet the local connection requirements who will under-occupy the property, providing that the under-occupancy created does not exceed one bedroom

- In the event that it is still not possible to allocate a property to applicants who meet criteria 1 to 5 above then the property may be allocated to applicants who meet the Uttlesford eligibility criteria set out in Section 5.2.1
- In the exceptional event that the council is unable to nominate any persons from its Housing Register who comply with 1 to 6 above, the Registered Provider would offer tenancies to Eligible Persons, the definition of which would be consistent with both the council's local connection criteria and the occupancy requirements. The priority when offering tenancies to Eligible Persons would mirror the council's policies on Allocation of Properties.

The council will select nominations which meet the criteria set out in 1 to 6 in the priority order of their local connection and then on the basis of their housing need and then the date that their housing need priority was awarded.

The age criteria (Section 13) may be waived for suitable properties to allow older people to remain in a village.

Rural Housing – Non exception site

Requiring applicants to have a connection with the locality may also be considered by the Council, on a proportion of the affordable housing provision, on any site subject to the terms of a planning obligation where a local need can be demonstrated through a housing needs survey, no more than three years old at the time of the submission of the planning application.. To be eligible for an allocation on these sites applicants must be assessed as having a housing need by being in Bands A – D of the allocation policy.

Sustainable Communities

In exceptional circumstances, the council may decide to let properties on a slightly different basis from normal, in the interests of building a strong and sustainable community or to deal with particular local issues. The decision to apply such criteria will be jointly made by the landlord of the property and the council.

On new developments, the Council and the landlord may consider widening the eligible bands for home types on first lettings, again taking equal opportunities and legal issues into account

Appendix III

Right to Move Guidance

The Allocation of Housing (Qualification Criteria for Right to Move) (England) Regulations 2015 states that local authorities cannot decide that a person does not qualify for an allocation of accommodation on the grounds that the applicant does not have a local connection with the area if the applicant is a tenant of social housing and who needs to move to take up a job or live closer to employment or training (including apprenticeships).

A local connection requirement must **not** be applied to existing social tenants seeking to transfer from another local authority district in England who:

- have reasonable preference under s.166(3)(e) because of a need to move to the local authority's district to avoid hardship, and
- need to move because the tenant works in the district, or
- need to move to take up an offer of work

The applicant must demonstrate that they **need**, rather than wish, to move, for work related reasons. In this regard the following factors will be taken into account:

- the distance and/or time taken to travel between work and home
- the availability and affordability of transport, taking into account level of earnings
- the nature of the work and whether similar opportunities are available closer to home
- other personal factors, such as medical conditions and child care, which would be affected if the tenant could not move
- the length of the work contract
- whether failure to move would result in the loss of an opportunity to improve their employment circumstances or prospects, for example, by taking up a better job, a promotion, or an apprenticeship

This is not an exhaustive list, other local circumstances may be taken into consideration.

The following forms of work are excluded from the Right to Move

Short-term

In determining whether work is short-term the following factors will be taken into consideration

- whether the work is regular or intermittent
- the period of employment and whether or not work was intended to be short-term or long-term at the outset
- A contract of employment that was intended to last for less than 12 months could be considered to be short-term

Marginal

In determining whether work is marginal the following factors will be taken into consideration

- the number of hours worked (employment of less than 16 hours a week could be considered to be marginal in nature)
- the level of earnings

However Uttlesford District Council may take into account, for example, if a tenant only works 15 hours a week but they can demonstrate that the work is regular and the remuneration is substantial.

Ancillary

- If a person works occasionally in the local authority's district, even if the pattern of work is regular, but their main place of work is in a different local authority's district, the work is excluded from the regulations
- If the tenant is expected to return to work in the original local authority district. If a local authority has reason to believe this is the case, they should seek verification from the tenant's employer
- A person who seeks to move into a local authority to be closer to work in a neighbouring authority – for example, where the transport links are better in the first local authority's area – is also excluded from these regulations.

Voluntary Work

- Voluntary work means work where no payment is received or the only payment is in respect of any expenses reasonably incurred

Apprenticeship

- The term 'work' includes an apprenticeship. This is because an apprenticeship normally takes place under an apprenticeship agreement which is an employment contract (specifically a contract of service) [*Why are apprenticeships excluded?*]

Verification and evidence

Uttlesford District Council will require proof that the work or job-offer is

genuine and will need to see appropriate documentary evidence, which could include:

- a contract of employment
- wage/salary slips covering a certain period of time, or bank statements (this is likely to be particularly relevant in the case of zero-hours contracts)
- tax and benefits information – e.g. proof that the applicant is in receipt of working tax credit (if eligible)
- a formal offer letter
- additionally, the employer may be contacted to verify the position *[Do we need to write in that applicants may be required to sign an authority to enable the employers to provide information regarding employment?]*

Uttlesford District Council may consider whether an applicant qualifies both at the time of the initial application and when considering making an allocation.

A set quota which the Council feels appropriate for the proportion of properties that it expects to allocate each year to transferring tenants who need to move into their district for work related reasons is 1%. However this will be reviewed and revised as appropriate based upon supply and demand through monitoring channels.

Applicants who meet the criteria for Right to Move will be placed in one and higher than their housing need.

UTTLESFORD DISTRICT COUNCIL

**FIRST HOMES
PLANNING ADVICE
NOTICE**

2022

CONTENTS

1. Background	3
2. Purpose	5
3. Policy Compliant Affordable Housing Mix	5
4. Local Eligibility Criteria	6
5. First Homes Exceptions Sites	7
6. Transitional Arrangements	8
7. Key Documents	8

1.1 On 24th May 2021, the Government published a Written Ministerial Statement¹ that set out plans for delivery of a new type of affordable home ownership product called First Homes. To support the future development of First Homes, the Government also set out changes to national planning policy.²

1.2 First Homes are a specific kind of discounted market sale housing which must:

- be discounted by a minimum of 30% against the market value; and
- can only be sold to a person or persons meeting the First Homes eligibility criteria (see below); and
- after the discount has been applied, the first sale must be at a price no higher than £250,000 outside of London; and
- on the first sale, a First Home will have a restriction registered on the title of the property at HM Land Registry to ensure the discount (percentage of current market value) and certain other restrictions are passed on at each subsequent title transfer.

1.3 This is the minimum criteria a First Home must meet and would be considered to meet the definition of 'affordable housing' for planning purposes.

1.4 The national eligibility criteria for purchasers of First Homes includes the following:

- a purchaser (or, if joint purchase, all the purchasers) of a First Home should be a first-time buyer³;
- and purchasers of First Homes, whether individuals, couples or group purchasers should have a combined annual household income not exceeding £80,000 in the tax year immediately preceding the year of purchase.
- and a purchaser of a First Home should have a mortgage or home purchase plan (if required to comply with Islamic Law) to fund a minimum of 50% of the discounted purchase price.
- and the First Home must be the buyer's main residence with restrictions on lettings being applied.

1.5 The First Homes Written Ministerial Statement does give local authorities or neighbourhood planning groups discretion to:

- Require a higher minimum discount of either 40% or 50% if they can demonstrate a need for this.
- Set lower price caps if they can demonstrate a need for this.
- Apply time limited eligibility criteria in addition to the national criteria described above, for example a local connection test, or criteria based on employment status.

1.6 First Homes are the Government's preferred discounted market tenure and should account for a minimum 25% of affordable housing secured through planning obligations.

1.7 Uttlesford District Council requires the provision of 40% of the total number

of residential units to meet the national definition of 'affordable housing' within all new residential developments that comprise 15 or more residential units or a site of 0.5 hectares and above.

1.8 To meet housing need the 40% affordable housing policy requirement must incorporate 70% affordable housing for rent, provided as either social or affordable rented housing. The remaining 30% required to meet demand for affordable home ownership and comply with national planning policy, which requires that at least 10% of homes should be available for affordable homes ownership. It was assumed to be provided as shared ownership housing where buyers purchase a share in a home and pay a below market rent on the share that they do not own.

1.9 The First Homes Written Ministerial Statement also introduced a First Homes exceptions site policy to encourage First Homes-led development on land that is not currently allocated for housing, replacing the entry-level exception site policy.

1.10 First Homes exception sites should be on land which is not already allocated for housing and should:

- a) comprise First Homes (as defined in the Written Ministerial Statement); and
- b) be adjacent to existing settlements, proportionate in size to them, not compromise the protection given to areas or assets of particular importance in the National Planning Policy Framework⁴, and comply with any local design policies and standards.

1.11 The First Homes exceptions site policy also allows a small proportion of market homes on the site at the local authority's discretion.

2. PURPOSE

2.1 The purpose of this advice note is to:

2.1.1. Clarify what a policy compliant affordable housing requirement on developments of 15 or more dwellings or a site of 0.5 hectares and above is following the implementation of the First Homes Written Ministerial Statement.

2.1.2 Set out the Council's position regarding those elements of the National criteria that can be amended by local authorities relating to the homes and purchasers of First Homes.

2.1.3 Clarify the Council's interpretation and position regarding the terms 'proportionate to the settlement' and 'small proportion of market homes' in relation to First Homes exceptions sites.

2.2 This Planning Advice Note will be reviewed in line with the review of the Local Plan, which is currently being undertaken to enable the new Local Plan to be adopted in 2024.

3. POLICY COMPLIANT AFFORDABLE HOUSING MIX

3.1 A minimum of 25% of all affordable housing units secured through developer contributions should be First Homes, subject to the transitional arrangements (see below).

3.2 Once a minimum of 25% of First Homes has been accounted for, social rent should be delivered in the same percentage as set out in the Local Plan.

3.3 The remainder of the affordable housing tenures should be delivered in line with the proportions set out in Local Plan policy.

3.4 The First Homes Planning Practice Guidance states that a policy compliant planning application should seek to capture the same amount of value as would be captured under a local authority's up-to-date published policy. It sets out that where a plan viability assessment shows the amount of value captured, this allows the total value captured under the policy to be calculated. This value can then be reallocated to a different affordable housing mix under the new policy⁵.

3.5 Currently the 40% affordable housing policy requirement consists of 70% affordable housing for rent and 30% affordable home ownership – assumed to be provided as shared ownership housing. As the 25% First Homes requirement can be accounted for within the 30% affordable home ownership element of the contribution,

The following affordable housing contribution will be considered policy compliant:

70% of the affordable units on new residential developments of 15 or more residential units or on a site of 0.5 hectares and above will be required as affordable housing for rent.

25% of the affordable units on new residential developments of 15 or more residential units or with a site of 0.5 hectares or more will be required as First Homes.

5% of the affordable units on new residential developments of 15 or more residential units or with a site of 0.5 hectares or more will be required as Shared Ownership Housing to continue to meet demand for affordable home ownership homes and from purchasers that do not meet the qualification criteria applied to First Homes.

3.6 To ensure a compliant planning application captures the same amount of value as would be captured under the Local Plan:

First Homes will be required at the 30% discount against the market value and the national price cap of £250,000 will apply.

4. LOCAL ELIGIBILITY CRITERIA

4.1 As part of planning obligations secured through section 106 agreements, local authorities can apply eligibility criteria to First Homes in addition to the national criteria described above.

In Uttlesford, the following additional local criteria will apply to all First Homes on initial sales and resales for a period of 3 months from when a home is first marketed:

Households with an adult that at the time of marketing the First Home lives or works⁷ in the Uttlesford district; or

Households with an adult that at the time of marketing the First Home is due to commence employment in the Uttlesford district: or

Households with an adult that at the time of marketing the First Home has a close family connection to the Uttlesford district (*parents, grandparents, children, siblings*)

4.2 If a suitable buyer has not reserved a home after 3 months, the eligibility criteria will revert to the national criteria to widen the consumer base.⁶

4.3 In accordance with national Planning Practice Guidance, the local eligibility criteria will be disappplied for all active members of the Armed Forces, divorced/separated spouses or civil partners of current members of the Armed Forces, spouses or civil partners of a deceased member of the armed forces (if their

death was wholly or partly caused by their services) and veterans within 5 years of leaving the armed forces.

5. FIRST HOMES EXCEPTIONS SITES

5.1 The First Homes Written Ministerial Statement and associated planning guidance allows for First Homes exceptions sites to come forward on unallocated land outside of a development plan so long as it meets the criteria set out above. As well as being adjacent to existing settlements, the criteria states that these sites must be 'proportionate in size' to the existing settlements.

5.2 National Planning Practice Guidance states that for decision making, what constitutes a proportionate development will vary depending on local circumstances and encourages local authorities to set policies which specify their approach to determining the proportionality of First Homes exceptions site proposals.

5.3 Uttlesford District Council will consider whether First Homes exceptions site proposals are 'proportionate' to an existing settlement as part of the assessment process for each First Homes exception site application which is submitted. In all instances this will not exceed 15 units or 0.5 hectares, and in smaller settlements⁷ 15 units is likely to not be proportionate.

5.4 The First Homes exceptions site policy also allows a small proportion of market homes on the site at the local authority's discretion.

5.5 The starting point is that market homes are not required, especially given First Homes are not required to be discounted beyond the 30% minimum, however: Where it can be demonstrated to the satisfaction of the Council that market housing is essential to cross-subsidise the delivery of First Homes on First Homes exceptions sites: the proportion of market housing must not exceed 20% of the total number of homes; and the market and affordable homes must be indistinguishable in design and quality.

5.6 National Planning Policy Guidance allows small quantities of affordable housing products for one or more other form of affordable housing on a proposed First Homes exceptions site where evidence suggests that a significant local need exists. This evidence can be in the form of a local Housing Needs Assessment or the local authority Housing Register.

5.7 As Uttlesford District Council has significant local need for more affordable housing for rent to meet the needs of households on the Council's Housing Register, we expect **at least 25% of First Homes exceptions sites to provide affordable housing for rent to meet the needs of those households in the greatest housing need on the Council's Housing Register.**

6. TRANSITIONAL ARRANGEMENTS

8

6.1 National Planning Practice Guidance sets out that the First Homes policy requirement does not apply to decision making for the following:

- sites with full or outline planning permissions already in place or determined (or where a right to appeal against non-determination has arisen) before 28 December 2021;
- applications for full or outline planning permission where there has been significant preapplication engagement which are determined before 28 March 2022; and
- sites where neighbourhood plans are adopted/made under the transitional arrangements -submitted for examination before 28 June 2021 or have reached publication stage and subsequently submitted for examination by 28 December 2021.

6.2 These transitional arrangements also apply to permissions and applications for entry-level exception sites.

6.3 The First Homes requirement does not apply to applications made under section 73 of the Town and Country Planning Act 1990 to amend or vary an existing planning permission unless the amendment or variation in question relates to the proposed quantity or tenure mix of affordable housing for the development.

Uttlesford Nominations Agreement

• Principles

1.1 Uttlesford District Council ("the Council") and ___(RP name)_____ ("the Registered Provider") intend to work together to:

- Address housing need
- Operate an efficient and effective nominations process

1.0 Introduction

1.1 This agreement is made between The Registered Provider and the Council on (*insert date*)_____

1.2 This agreement should be read in conjunction with the Council's Housing Allocations Policy and Tenancy Strategy. The Housing Allocations Policy sets out the Council's criteria for prioritising households on its Housing Register. The Tenancy Strategy sets out the Council's position on Flexible/Fixed-term Tenancies and Affordable Rents.

1.3 This agreement applies to general needs and sheltered housing let on fixed-term assured shorthold/assured lifetime tenancies let at a Social or Affordable Rent.

2.0 The Agreement

2.1 The Registered Provider agrees to grant the Council 100% nomination rights in respect of the first letting and 75% nomination rights in respect of the

subsequent re-lettings of each residential accommodation property listed in Appendix 1 to this agreement ("Appendix 1 properties").

3.0 Nominations

3.1 When an Appendix 1 property is available for first letting or (where the Council has nomination rights) for re-letting:

3.1.1 The Registered Provider must send a completed nomination request form to the Council's Housing Options Team via email.

3.1.2 On receipt of the completed nomination request form the Council will upload details of the property onto its Choice Based Lettings platform for advertising at the next bidding cycle provided that the nomination request is received by 1pm on a Wednesday.

3.1.3 Nomination requests will not be accepted for advertisement unless the property is ready to let within 8 weeks.

3.1.4 Properties are advertised on a weekly cycle from 9am each Friday until close of bids at 1pm on the following Wednesday. After close of bids, the Council will endeavour to provide the Registered Provider with the details of one nominee within five working days. The details provided to the Registered Provider will consist of a copy of the nominee's application form and a nomination form. The Council will provide only one nominee at a time. Any request for more than one nominee may be approved by the Housing Options Team Leader only in exceptional circumstances.

3.1.5 The Registered Provider must accept the Council's prioritisation of housing need and let the property in accordance with the nomination unless any of the reasons for rejection of the nomination listed at paragraph 3.1.6 below or in the case of new build developments any relevant stipulations in an agreement made under sections 106 and/or 106A of the Town and Country Planning Act 1990 applies.

3.1.6 The Registered Provider may reject nominations if any of the following applies:

- The nominee's circumstances have changed and they no longer satisfy

- the relevant eligibility criteria for the allocation of the property.
- The property is unsuitable on medical/social/affordability grounds (with agreement of the Housing Options Team Leader).
 - The nominee has viewed property and received a verbal offer but fails to agree or refuse the offer within 24 hours.
 - The nominee or their representative fails to respond to initial contact within 48 hours (the Housing Options Officers can assist with making contact).
 - The property was advertised as a sensitive let and the Housing Options Team Leader agrees that the nominee is not suitable for housing management reasons.
 - For emergency and transitional housing management reasons.
 - The property does not have a re-let date because there is outstanding work to be completed.
 - The nominee does not meet the criteria of the Registered Provider's Allocations Policy
 - In exceptional circumstances where it transpires that an offer of accommodation would put a vulnerable person at risk of harm (to be agreed with the Housing Options Team Leader).
- 3.1.7 The Registered Provider must provide the Council's Housing Options (Allocations) Officer with detailed written reasons for the rejection of a nomination.
- 3.1.8 The Registered Provider must provide an explanation of its internal decision review procedure to the nominee.
- 3.1.9 Unless the Housing Options Team Leader otherwise agrees, the Council will not provide a fresh nomination if the rejection is in dispute

with the nominee.

- 3.1.10 The Council will endeavour to provide a fresh nomination within 3 working days of receiving notification of a rejection.
- 3.1.11 The Registered Provider must inform the Council's Housing Options (Allocations) Officer of the tenancy commencement date within 5 working days of the date when the tenancy agreement is signed by the tenant.
- 3.1.12 In the event that the shortlist is exhausted (there are no eligible applicants remaining), the Council may provide a "direct let" by nominating an applicant from the Housing Register who is not on the shortlist. If the Council is unable to fulfil another nomination, the property will need to be advertised again to generate more interest.
- 3.1.13 In the event that the Council is unable to provide a nomination within the agreed timescales the Council will notify the Registered Provider that the property is labelled "hard-to-let". The Registered Provider may then allocate the property to someone not on the Housing Register provided that the allocation is in accordance with the relevant provisions of any Town and Country Planning Act 1990 section 106 agreement which applies to the property. The Registered Provider will ensure the Council is provided with the details of the successful nominee.
- 3.1.14 In the event that the Registered Provider requests for a property to be withdrawn from advertising on the Choice Based Lettings platform that property shall not count towards the Council's nomination rights for the purposes of paragraph 2.1 of this agreement.
- 3.1.15 Uttlesford District Council expects Registered Provers to operate a flexible policy in respect of any requests for a deposit or rent in advance so as not to disadvantage an applicant. The Council will not have responsibility for payment of these charges.
- 4.0 Monitoring and Dispute Resolution**
- 4.1 The Council will monitor all lettings to ensure they adhere to the provisions of this agreement.

- 4.2 An annual voids and lettings return will be completed by the Registered Provider. The return must show the details of all properties that have become void in the Uttlesford District and whether these properties were subsequently let through its Choice Based Lettings scheme. The return must list first lets and re-lets separately. The Registered Provider must send the return to the Council not more than four weeks after the end of the relevant financial year.
- 4.3 This agreement will be reviewed every 2 years or sooner if a major amendment is considered necessary. Nominations policy and procedure may be discussed at liaison meetings to be held at least once a year.
- 4.4 This agreement may only be varied in writing and with the agreement of the parties.
- 4.5 In the event of any dispute or difference arising between the Council and the Registered Provider in connection with the terms of this agreement, such dispute or difference should be raised in the first instance by the Registered Provider with the Council's Housing Options Team Leader. Where a resolution is not forthcoming the matter should be referred to Senior Management level and if necessary escalated to Director/Assistant Director level. Any dispute or difference regarding this agreement arising from the Council will be raised in the first instance with the service manager of the Registered Partner. Where a resolution is not forthcoming the matter should be referred to Senior Management level and if necessary escalated to Director/Assistant Director level.
