### Introduction to Allocation Round 6: Online event

- Date: Thursday 22 February 2024, 10am to 1.30pm

#### Join the Contracts for Difference delivery partners for this dedicated AR6 event

The sixth allocation round (AR6) of the CfD scheme is scheduled to open to applications on 27 March 2024.

Ahead of the round's opening, the CfD delivery partners – Department for Energy Security and Net Zero, National Grid ESO, Low Carbon Contracts Company and Ofgem – will hold this online event to take you through everything you need to know about AR6.

The event will provide an overview of key aspects of the round and contract terms before taking a more in-depth look at the allocation process. This event is therefore particularly relevant for prospective AR6 applicants.

The event will also feature a Q&A session where a range of panellists involved in operating the scheme will answer your questions.

## General Data Protection Regulation

This stakeholder bulletin is being circulated to people who have opted in to the Contract for Difference stakeholder contact list. We issue these stakeholder bulletins as a convenience to interested parties, however it is not in any way essential to be on this list to participate in major consultations or allocation rounds.

**Purpose & scope of this list:** This list is managed by the Department for Energy Security and Net Zero (and any successor departments) and will be used to inform interested parties of policy developments relevant to the Contract for Difference scheme for renewable energy projects (and any direct successor schemes). It is not used for any other purposes.

**To be removed from the circulation list:** Please send a blank e-mail with the subject 'opt out' (if the receiving e-mail you use is different to the one you send the e-mail from, include that e-mail address in the subject of the e-mail) to [ContractsForDifference@energysecurity.gov.uk](mailto:ContractsForDifference@energysecurity.gov.uk).

**If you have received this indirectly and want to be added to this list:** Send a blank e-mail with the subject line 'opt in' to [ContractsForDifference@energysecurity.gov.uk](mailto:ContractsForDifference@energysecurity.gov.uk). You can withdraw your consent to opt in at any time. We will normally keep your address on this list until you: a) withdraw your consent to opt in, b) the scheme closes without any successor, c) we receive reports your email address is no longer operational, or d) you do not respond to a periodic request from us to reconfirm your desire to opt in.
