Hi [REDACTED],

I hope you are both keeping well. I thought to drop you a line on the topic of DRS as we've recently engaged with the RPC Committee and shared with them our learnings on the implementation of the Scottish DRS scheme. We've put together a short one-pager with some key learnings that we'd like to share with you as well, we hope you'll find it useful.

As always, we're more than happy to have a follow-up discussion and expand on some of the outlined points, don't hesitate to get in touch.

Best wishes,
