Passive Resistance	0
No Data Available	0
<i>Total</i>	<i>56</i>

Definitions of the conduct/behaviour categories are provided at End Note ⁱ

² Impact factors are not always relevant to instances of use of force and fewer impact factors than incidents may therefore be recorded. Likewise, it is possible to have multiple impact factors for one incident.

³ Officers use the categories listed to best describe the primary conduct/behaviour of subjects. If the subject displays more than one conduct/behaviour, the officer will only record the most relevant or severe. Definitions of the conduct/behaviour categories are provided at End Note i.
