

EMPLOYMENT TRIBUNALS

Claimant: Mr A Lawrence

Respondent: George Walker Transport Manchester Limited

SECOND RECONSIDERATION JUDGMENT

The claimant's further application dated 21 December 2023 for the judgment sent to the parties on 7 December 2023 to be revoked is refused.

REASONS

1. On 20 and 21 December 2023 I undertook preliminary consideration of the claimant's application for reconsideration of my judgment dismissing his application to set aside the Unless order issued on 14 December 2022. That application was contained in a 100 page document attached to an email dated 19 December 2023. It came with 16 attachments.
2. My reconsideration judgment was signed on 21 December 2023 although not sent out to the parties until 2 January 2024.
3. I now know that the claimant had provided a revised version of his reconsideration application to the Employment Tribunal on the morning of 21 December 2023. Unfortunately I had not seen it when I finalised my judgment. The revised version has 22 extra pages.
4. I have now considered the revised version. The differences are not material. The revised application for reconsideration dated 21 December 2023 has no better prospect of success than the original application dated 19 December 2023. The reasons I gave for refusing that application remain valid.
5. The application of 21 December 2023 is also refused.
