

Note to employer

Do not use this form if the benefit(s) are provided under an optional remuneration arrangement. Read appendix 12 in tax guide '480' for guidance on how to determine the relevant amount to be treated as earnings.

You do not have to use this form but you may find it a useful way to calculate the cash equivalent if you provided a van which was available for private use by a director or employee during the year 2023 to 2024 (that is 6 April 2023 to 5 April 2024). Read the 'P11D Guide' before you complete this form.

If you use this form you must also fill in forms P11D and 'P11D(b) Return of Class 1A National Insurance contributions due'.

We advise you to keep a copy of each completed working sheet as it could help you to deal with enquiries. You do not have to give a copy of the completed working sheet to the director or employee. Do not send a copy to HM Revenue and Customs.

The term employee is used to cover both directors and employees throughout the rest of this form and includes any member of their family or household.

Payroll your van and van fuel benefit in future tax years to avoid completing P11Ds'. For more information, go to www.gov.uk/guidance/paying-your-employees-expenses-and-benefits-through-your-payroll
