Vision and Objectives

To develop your long term vision, you need to express as clearly as possible the overall direction of management for the woodland and how you envisage it will be in the future.

2.1 Vision

Describe your long term vision for the woodland(s).

2.2 Management Objectives

State the objectives of management, and how sustainable forest management is to be achieved. Objectives are a set of specific, quantifiable statements that represent what needs to happen to achieve the long term vision.
