

EXPORT OF INVERTEBRATES TO NETHERLANDS

NOTES FOR GUIDANCE (NFG) FOR OFFICIAL VETERINARIANS AND EXPORTERS

This document should not be read as a standalone document but in conjunction with **9101EHC**.

Scope of the certificate

This certificate may be issued for the export of invertebrates (subject to 'Note a)' on the certificate), where the certification takes place in Wales, Scotland or England, i.e. Great Britain only.

A note on the English text and translation:

Please note that this certificate is taken from an English translation provided by the Netherlands Authorities and the English text is therefore constrained by their model certificate.

Country of origin

Although the certificate has been prepopulated with UNITED KINGDOM, this certificate should and can only be issued for animals that are certified in England, Scotland and Wales (i.e. Great Britain).

Certification

The basic principles of certification apply and should be completed according to the requirements in (EU) Regulation 2020/2035.

Entry BCP

Official designation number of the BCP should be used, list for reference provided here: [Designated Border Control Posts \(BCPs\) \(europa.eu\)](#)).

Part I:

I.12: 'Registration/ Approval number' Both or one of these can be deleted.

I.20: 'Certified as for'

If the export relates to a destination use or application that is not provided for in the current options, then please select the closest option.

I.27 = Number of animals: It is common practice to estimate the number based on weight.

Disclaimer: This certificate is provided based on information available at the time and may not necessarily comply fully with the requirements of the importing country. It is the exporter's responsibility to check the certificate against any relevant import permit or any advice provided by the competent authority in the importing country. If these do not match, the exporter should contact the APHA Centre for International Trade, in Carlisle, see the link below.
