Before: Judge Cowx (sitting alone)

REPRESENTATION:

JUDGMENT

On 26 April 2023, the claimant, in accordance with Rule 76 of the Employment Tribunal's Rules of Procedure, submitted an application for a costs order against the respondent in the sum of £7000 plus VAT.

The judgment of the Tribunal is that the respondent did not act vexatiously, abusively, disruptively or otherwise unreasonably in either the bringing of the proceedings or in the way that the proceedings were conducted, nor was the respondent's response to the claim without a reasonable prospect of success. The application for a costs order was therefore refused.
