DECISION

The sum of £196.00 per week will be registered as the fair rent with effect from 5th February 2024 being the date the Tribunal made the Decision.

SUMMARY REASONS

Background

1. Following an objection from the Tenant to the determination of a fair rent by the Rent Officer, the Tribunal has made a determination under the provisions of the Rent Act 1977.

Inspection

2. Tribunal did not inspect the property but considered this case on the basis of the papers provided by the parties.

Evidence

3. There were no written submissions from the parties.

Determination and Valuation

4. Having consideration of our own expert, general knowledge of rental values in the area, we consider that the open market rent for the property would be in the region of £415.00 per week. From this level of rent we have made adjustments in relation to:

The lack of white goods provided by the Landlord
The tenants liability for floor coverings
The tenants decorating liability
The fact that the property has partial central heating .

5. The Tribunal has also made an adjustment for scarcity.

6. The full valuation is shown below:

7. The Tribunal determines a rent of £257.31 per week

Decision

8. The uncapped fair rent initially determined by the Tribunal, for the purposes of section 70, was £257.31 week. The capped rent for the property according to the provisions of the Rent Acts (Maximum Fair Rent) Order 1999 is calculated at £196.00 per week including services of £4.37. The calculation of the capped rent is shown on the decision form. In this case the lower rent of £196.00 per week is to be registered as the fair rent or this property.
