Product Description	Black electric scooter with seat and rear basket, supplied with charger and tool kit. The front post is foldable and has a light mounted to it. 12" wheels.
Country of Origin	China
Counterfeit	The plug and fuse are considered to be counterfeit.
Risk Level	Serious
Risk Type	Electric Shock
Risk Description	<p>The product presents a serious risk of electric shock because the transformer was of a poor build quality and did not meet the requirements of creepage and clearance. The plug face also did not meet the dimensional requirements of the relevant standard, meaning users can access live pins when plugging in, or unplugging, the plug from the socket. The fuse was also considered counterfeit and did not contain a ballast, preventing it from performing as required under fault conditions.</p> <p>Improvements are required to marking, labelling and documentation.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs &amp; Sockets (Safety) Regulations 1994.</p>
Corrective Measures	The import has been rejected at the border.
