

EMPLOYMENT TRIBUNALS

Claimant: Mr D Fitzgerald

Respondent: The Electrical Services Team Limited

UPON a reconsideration of the judgment dated 2 June 2023 on the tribunal's own initiative under rule 73 of the Employment Tribunals Rules of Procedure 2013, and without a hearing

JUDGMENT

The judgment in favour of the claimant of 2 June 2023 is revoked.

REASONS

After I signed my judgment of 2 June 2023, the claimant obtained judgment on the same matters which were the subject of this claim in another case. That judgment was given in case number 3315010/2022. That judgment was given by Employment Judge Cowen on 18 July 2023. On that day Judge Cowen alerted me to the fact that she had given that judgment and said that the claimant had put before her a contract of employment showing that his employer was The Maintenance Services Team Limited (which was the first respondent to case number 3315010/2022).

The claimant was asked to respond by 26 December 2023 to a proposal that the judgment in this case be revoked, but he had not responded to that proposal in any way when I signed this judgment.
