

## Details for Enforcement Notice No. 28/2023

Notice Type            Enforcement

Operator                Perenco U.K. Limited

Address                 8 Hanover Square  
London  
W1S 1HQ

Details                 Lemnan 27B Installation  
The Lemnan 27BC jacket has been operating since installation without any local or computerised level transmitters or alarms, including executive action, on its diesel bulk storage tanks. The operator has failed to install the required equipment, as committed to by the Company in response to OPRED inspection letters in both 2022 & 2023, and therefore has failed to implement suitable precautions to mitigate the risk of release from the bulk diesel storage system on Lemnan 27B.

Legislation             Regulation 13(1A) of the Offshore Petroleum Activities (Oil Pollution Prevention and Control) Regulations 2005 (as amended)

Issue Date             12.01.2024
