

Fast Charge Jump Starter 260 & 9000mAh Power Bank	
Aspect	Details
Images	
PSD Number	2402-0097
Product Type	Electrical appliances and equipment – Car / Motorcycle Jump Starter
Product Identifiers	Brand: Ring Automotive Model number: RPPL260 Barcode: 5055175250144 Batch: 38/21
Product Description	Black and blue power bank intended for use as a jump starter for motorcycles, cars, 4 x 4s and vans. A LED torch and a power bank for phones and tablets.
Country of Origin	China
Counterfeit	No
Risk Level	High
Risk Type	Fire
Risk Description	The RPPL260 has been identified as potentially presenting a risk of fire. The product may not cut off power in standby mode. This proximity to a lithium-ion battery presents a risk of a thermal runaway. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The product has been recalled from end users. This follows the recall issued in March 2023 for the Fast Charge Jump Starter 260 RPPL360 model. Consumers should immediately stop using the RPPL260 jump starter. Store the product outside, protected from water and rain. For further information contact the retailer or Ring Customer Services 0113 213 7389 & ordering@ringautomotive.com for the up-to-date advice for obtaining a refund and safely disposing of the unit.
Online Marketplace	Sold via multiple online marketplaces including Amazon and eBay
Notifier	Local Authority Trading Standards
