Dear Major Case Work Team,

Town and Country Planning (Section 62A Applications) (Procedure and Consequential Amendments) Order 2013 (as amended).

Consultation on S62A/2023/0025 - Outline planning application with all matters reserved except access for up to 28 dwellings (class C3) including public open space, sustainable drainage systems, landscaping and associated infrastructure and development.

Land To The North Of Eldridge Close, Clavering

Thank you for your letter of 9th November 2023 advising of your receipt of a valid planning application for the development outlined above. The Council, as Local Planning Authority considered a report in relation to this submission at their Planning Committee on 13th December 2023. The report is attached for information.

Given the unique nature of this application process, the Planning Committee requested that the report provided an overview analysis of the proposed scheme; with the limited information that was available to the Planning Service at the time. In this regard, the Planning Service was asked to provide their views on the indicative benefits, adverse and neutral impacts of the scheme in order to assist the Planning Committee with their consideration of this application.

In addition to the comments highlighted within the report, the Planning Committee wish to add the following:

- The proposal will introduce a sizable residential development to an area of open countryside. This would appear out of character with the open rural site and pattern of development within Clavering, this will be therefore harmful to the rural character of the immediate and surrounding area. The proposal would not be appropriate for this rural location and would be contrary to Uttlesford Local Plan Policies (adopted 2005) S7, GEN2 and the NPPF.
- The proposals by reason of its inappropriate size and scale would amount to the significant loss to best and most versatile ('BMV') agricultural land contrary to Policy

ENV5 of the Uttlesford District Council Adopted Local Plan and Paragraph 174(b) of the National Planning Policy Framework.

- As a result of the location of the application site it is considered that the proposal would not encourage the use of movement by means other than driving of a car to even local facilities. As such the proposal is considered contrary to Policy GEN 1(e) of the Uttlesford Adopted Local Plan 2005.

The following documentation is provided as part of the Uttlesford District Council's consultation response in which should form part of the Inspectors assessment of the proposals.
