Dear Leanne,

Thank you for coming back so quickly and thank you for agreeing to the request.

The applicant agrees to extension of the determination date until the 7th June 2024.

We will await the final confirmation of the date of the hearing but will pencil in the 10th May 2024.

Please find attached a response from the applicant's Highways Consultants regarding transport matters which should be read in conjunction with the rest of the information to be sent no later than the 22nd March 2024. This will also be directly sent to ECC as part of the ongoing dialogue. Worth noting that at this stage ECC have not returned Icenis's call, hence why we felt it worthwhile having it noted in writing that we are trying to continue the engagement.

For the avoidance of doubt, the applicant agrees to contents of your email dated 23rd February 2024.

Kind regards,

Lewis
