Dear Leanne,

In light of the recently received Highway Authority comments, the applicant requests the opportunity to provide the requested information. After discussion with our highway consultants, this will take between 2-4 weeks to pull together. I also note this will need to be consulted on.

Is it possible to delay the hearing by a month (beginning of April) to allow the highway information to be submitted and consulted on? The applicant would of course be willing to agree an extension of the determination until 17th May 2024 or longer if required.

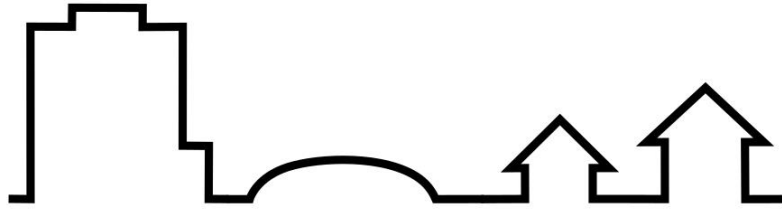

I look forward to hearing back from you.

Kind regards,

Lewis
