Subject: RE: Sweethayes Farm

Dear Adrian

Please see letter setting out the Local Authority Position drafted following our internal meeting. The letter confirms that the Local Authority do not consider that such importation is permitted development. See attached letter for reasons. We would welcome being part of a teams meeting with the National Permitting Service

Kind Regards

M. Bright

Please note that I only work on Wedneadays, Thursdays and Fridays each week, and your best method of contacting me is via email. If you are not on email, please phone my direct line number and leave a message.

Mark Bright. Planning Enforcement Officer

ENFORCEMENT TEAM
