

- KEY**
- Site Boundary (14.07 Ha)
 - Public Visitor Parking Bays (6.0m x 3.0m)
240m linear length = 40 Spaces Total (25% Provision)
 - Private Parking Courts to Flats; communal area with allocated spaces (5.5m x 2.9m)
 - Private Drives/Parking to Dwelling Houses (5.5m x 2.9m)
 - Garages to policy standards, counting towards parking provision
 - Garages not to policy standards, not counting towards parking provision

NOTE: Unless identified on the plan, all garages (either integral, Attached or Detached types), have internal measurement of at least 3.0m x 7.0m to enable them to be utilised as a parking space to policy standards.

NOTE: Cycle storage will be provided within plots as follows;

- Dwellings with a Garage - secure space within garage;
- Dwellings with no garage - sheds will be provided in rear gardens for secure cycles store provision;
- Flats - communal bin/cycle stores to provided
