Dear Sir/Madam,

I am writing to you regarding the Planning Application for Mill lane Hatfield Heath. I cannot believe they have the continuous nerve to keep putting this application in.

The Access to this development is so bad even now without extra housing!. Why they have asked for 8 holiday cottages, who would want to holiday in Hatfield Heath?

What will happen there is they will wait 6 months and ask for change of use to sell as individual one bedroom cottages because no one wants to holiday in them!

I presume these are like the one they have at High Pastures on the left hand side? Like a model of what they intend to build? Obviously someone is living in that now so ideal for a

Couple. Why should we allow anymore housing in Hatfield Heath? Small school. No Police presence. Doctors surgery already over subscribed. Its a Nightmare!

I totally object to this development. I also dont think they should be allowed to keep putting in for planning either.

Yours sincerely

Robert Woollcott
