GUIDANCE NOTES FOR A BIRTH RELATIVE TO APPLY FOR ENTRY ONTO PART 2 OF THE ADOPTION CONTACT REGISTER

Please use these guidance notes when completing the Contact Register Part 2 application form

The Adoption and Children Act of 2002 provides for the Registrar General to operate an Adoption Contact Register. The purpose of the Register is for adopted people and their birth relatives to register their contact wishes.

In order to register your details on Part 2 of the Contact Register you must be a birth relative. This is any person who is related to the adopted person by blood (including half blood), marriage or civil partnership.

You must be 18 years or over. You can register your wishes before the adopted person is 18 years old, but the adopted person will not be able to register until they reach 18.

A record of the birth or adoption must be held by the Registrar General.

The registration fee for a birth relative is £30.00. A separate application and fee is needed for each adopted person.

If you are an adopted person yourself you may also wish to register on Part 1. If you require any further advice please contact GRO.

If you wish to be removed from the register or wish to change any details you will need to inform us either in writing or by email.
