

## **FOI 23-281 – Arachis oil adverse reactions**

### **REQUEST**

**13 April 2023**

I would like to inquire if there is any information regarding adverse reactions to the excipients arachis oil, peanut or soya oil.

### **MHRA RESPONSE**

**14 April 2023**

Thank you for your email dated 13<sup>th</sup> April 2023.

The Interactive Drug Analysis Profile (iDAP) for arachis oil displays an overview of all UK spontaneous suspected Adverse Drug Reactions (ADRs) reported through the Yellow Card Scheme. It is important to note that reported adverse reactions have not been proven to be related to the drug, and should not be interpreted as a list of known side effects.
