

FOI 23/355 – licensing process for proposed radionucleotide dispensary

MHRA RESPONSE

9 June 2023

Dear

Thank you for your email asking for further information on a proposed radionucleotide dispensary. Further information on the how a site would apply for a licence is provided in the below links:

<https://www.gov.uk/government/publications/medicines-notes-for-applicants-and-holders-of-a-manufacturer-licence>

<https://www.gov.uk/guidance/apply-for-manufacturer-or-wholesaler-of-medicines-licences>

Until a site is actually built and ready for inspection to obtain a licence, MHRA will have no involvement and no application will be required. For any further information on the planning permissions or other information about this proposed site, we recommend that you contact NHS Scotland or the relevant local authority in Glasgow.

If you disagree with how we have interpreted the Freedom of Information Act 2000 in answering your request, you can ask for an internal review. Please reply to this email, within two months of this reply, specifying that you would like an Internal Review to be carried out.

Please remember to quote the reference number above in any future communications.

If you were to remain dissatisfied with the outcome of the internal review, you would have the right to apply directly to the Information Commissioner for a decision. Please bear in mind that the Information Commissioner will not normally review our handling of your request unless you have first contacted us to conduct an internal review. The Information Commissioner can be contacted at:

Information Commissioner's Office
