

FOI 23/487 – blood disorders following Covid vaccination

MHRA RESPONSE

6 July 2023

Following on from our previous correspondence, the information you have requested regarding current data on reports of blood disorders following Covid vaccination is already available in the public domain. You may find the information here - [What is being reported | Making medicines and medical devices safer \(mhra.gov.uk\)](#).

I hope this helps, but please do not hesitate to get in back in touch if you have any further queries.

Kind regards,

Yellow Card team
