Dear Secretary of State,

Diversity and Inclusion - memberships and dedicated roles

Thank you for your letter of 24th March requesting the Agency to review its external diversity and inclusion memberships and use of dedicated diversity and inclusion roles.

I can confirm that the Agency does not have any external diversity and inclusion memberships.

In line with the Civil Service's Diversity and Inclusion Strategy, the Agency has made clear, in its own People Strategy, that it is everyone's collective responsibility for its diversity and inclusion agenda.

In view of the reporting requirements in respect of diversity and in maintaining its own Equality and Diversity Framework, the Agency has a modest dedicated people resource, 0.5 Full Time Equivalent of two staff (a Senior Executive officer and an Executive Officer).

I will be happy to provide further information as required.

Yours sincerely,

Dr June Raine
Chief Executive
