

FOI 23/578

Dear

Thank you for your email.

Could I please ask for the energy consumption of all transthoracic echocardiography machines and handheld ultrasound devices licensed in the UK?

This is not information we hold. MHRA do not licence devices, and we would not know the energy consumption of these devices.

We suggest that you could contact the manufacturers of these devices or if you could approach NHS England if they are able to advise how much energy is used by these.

If you disagree with how we have interpreted the Freedom of Information Act 2000 with regards to your request, you can ask for the decision to be reviewed. The review will be carried out by a senior member of the Agency who was not involved with the original decision.

If you were to remain dissatisfied with the outcome of the internal review, you would have the right to apply directly to the Information Commissioner for a decision. Please bear in mind that the Information Commissioner will not normally review our handling of your request unless you have first contacted us to conduct an internal review. The Information Commissioner can be contacted at:

Information Commissioner's Office
Wycliffe House
Water Lane
Wilmslow
Cheshire
SK9 5AF
Yours sincerely
