FOI 23/616

Wycliffe House

Dear

Thank you for your email.

Can you please answer the following question with either a yes or no answer:

Has Pfizer/BioNtech complied with all the conditions of authorisation under Regulation 174 listed in this document?

For the avoidance of doubt the document I am referring to is:

https://www.gov.uk/government/publications/regulatory-approval-of-pfizer-biontech-vaccine-for-covid-19/conditions-of-authorisation-for-pfizerbiontech-covid-19-vaccine#clinical-and-pharmacovigilance

The MHRA considers that Pfizer/BioNtech have adequately complied with the Regulation 174 Conditions that fall within the MHRA's remit. A similar parliamentary question has been answered by Mr Neil O'Brien, Parliamentary Under Secretary in the Department of Health and Social Care, on November 22nd 2022 referring to the post-authorisation conditions that relate to the conditional marketing authorisations of the Comirnaty products (Pfizer / BioNtech Covid-19 vaccines) - see: https://questions-statements.parliament.uk/written-questions/detail/2022-11-16/88800.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date you receive this response and addressed to: info@mhra.gov.uk

Please remember to quote the reference number above in any future communications.

Please find below the Information Commissioner Office guidance on how to make a request for information
