IVD Roadmap
Friday 10th February 2023 (10:00 – 16:00)
MHRA offices, 1st Floor Conference Suite, 10 South Colonnade, London, E14 5EA
In-Person Event

6. 12:00 – 13:00 First Breakout Session Questions:

The IVD landscape and Ecosystem

- Organisations involved in the landscape and their roles including beyond today's presentations.
 - What are the interactions between these different organisations? - How can these be strengthened?
 - Is there a clear path from insight to patient (concept to commercialisation)? Are there significant gaps, including in capacity and capability?
 - What is the MHRA's role in the landscape and where can the Agency add most value?
-

7. 13:00 to 13:45 Lunch

8. 13:45 to 14:15 (All)-Reporting on Morning Breakout Sessions (5-6 mins per table)

9. 14:15 to 15:00 Second Breakout Session Questions:

Strengthening Regulatory Pathways: Pre-market Support

- In terms of pre-market support, what would your organisation like to see from the MHRA?
- What are the main barriers encountered at each stage of the IVD development lifecycle and what regulatory enablers could be critical for success?
- Thoughts on an ILAP for devices? Are there lessons to be learned from international programmes?
