Dear [REDACTED]

Thank you for your information request, dated **5 May 2023**, where you asked:

'does your organisation employ any DDaT/IT staff at grade seven within any of the following technologies:

- 1. Power Platform*
- 2. Power BI*
- 3. Power Automate*
- 4. SharePoint / SharePoint Online*
- 5. M365 / Microsoft365 / Office365'*

I am pleased to provide you with the information requested, please see below and refer to the attachment/s.

Firstly, I am informed by HR that our Senior Executive Officer (SEO) grade is equivalent to your grade 8.

We do not have any staff working on Power Platform or Power Automate. Whilst we do have SharePoint, it is maintained by our outsourced infrastructure service provider, so no staff there.

Regarding Power BI, we have two roles at SEO grade and one at Grade 7:

- SEO Data Scientist (Power BI Developer)
- SEO Data Scientist (Data Engineering)
- Grade 7 Senior Data Scientist.

Regarding M365, the closest we have is at SEO grade:

- SEO Specialist Infrastructure Engineer (M365).

The three SEO and one Grade 7 job descriptions are attached for information.
