

EMPLOYMENT TRIBUNALS

Claimants: (1) Miss H Edwards, (2) Ms L Sandor

Respondent: Mr J Mason

JUDGMENT

The claim against this Respondent is struck out.

REASONS

1. By a letter dated **19 June 2023** the Tribunal gave the Claimants an opportunity to make representations or to request a hearing, as to why the claim against this Respondent should not be struck out because it has no reasonable prospect of success, as it does not appear that this Respondent was the Claimants' employer and it is unclear how the claims in this matter can be pursued against him.
2. The Claimants failed to make any sufficient representations why this should not be done (given that their claims can only be brought against their employer, and not a director of the employer) or to request a hearing. The claim against this Respondent is therefore struck out.
3. The claims against the other Respondents are not affected by this judgment.
