

EMPLOYMENT TRIBUNALS

Claimant: Mihail Oprescu

Respondent: Berryworld Limited t/a Prepworld (Level 5)

JUDGMENT

1. Further to the claim for unfair dismissal being dismissed, the claim for breach of contract is also dismissed.

REASONS

1. The Tribunal gave judgment that the claim for unfair dismissal was dismissed, in a judgment that was promulgated on 23 December 2023.
2. It has subsequently been noted that there was also a claim for breach of contract, namely unpaid notice pay upon the Claimant's dismissal. Although that claim fell away with the finding that the Claimant's summary dismissal was fair, there should – for the sake of completeness – have been a formal judgment dismissing the breach of contract claim as well.
