Dear Sir/Madam,

I am writing to you as I totally object to this Planning application again for the development of 8 Holiday cottages that will never get used until the developer asks for this to be changed to residential homes again. Also the other large detached house. We are already over subscribed at the Surgery and the school is always full. Too much traffic is allowed onto the main road as it is!. There has been three fatalities on Stortford Road in the last few years so why encourage anymore!?

Why are these people allowed to keep putting in for planning? I thought it was only allowed twice!

I totally object to this development.

Yours sincerely,

James Woollcott
