20.— Duty to separate mixed wastes

(1) [Paragraph (2)]¹ applies to the holder where—

(a) the hazardous waste has been mixed other than under and in accordance with a waste permit [...] ², whether by the holder or a previous holder; and

(b) separation is both—

(i) technically [...] ³ feasible; and

(ii) necessary in order to comply with the Waste Directive conditions.

(2) The holder must make arrangements for separation of the waste to be carried out in accordance with a waste permit or registered exemption as soon as reasonably practicable.

[

(2A) Where separation is not required pursuant to paragraph (2), the holder must make arrangements for mixed hazardous waste to be treated at a facility authorised by a waste permit to treat that waste.

] ⁴

(3) In this Regulation “*separation*” means separation of a waste from any other waste, substance or material with which it has been mixed.
