Afternoon Katie,

I have spoken to FCC who have advised that the payment was made on the 16th July, it is usually made alongside bulk payment and sent with a remittance advice showing the payment reference for this application. FCC are also sending me the remittance advice.

Kind Regards

Kellie

Hi Kellie,

We still haven't received payment. Please provide a date when this will be processed. As you know I cannot proceed further until the application is duly made and it is now blocking other work. The application will be returned if we have not received payment by Monday.

Kind regards
