Subject: Further clarification required Daneshill STF

Hi Kellie,

Following on from my previous email could you also clarify point 24 on the Schedule 5 response. Its noted 30m3 of wood will be stored. The location however is not included on the plan. The location of the ammonium nitrate it noted. You haven't mentioned off-spec compost - 19 05 03 or street cleaning residues - 20 03 03 accepted as a separate waste stream, are these no longer proposed for inclusion into the bioremediation process?

Kind regards
