Good evening Katie,

Thank you for your time today, in response to below: Edwin Richards Quarry, Maw Green Landfill Site and Welbeck Landfill Site currently use 19 05 03 as a filter medium.

From our phone call conversation, we have spoken to the Operator who have asked if we can request a meeting with yourself to discuss the concerns and agree a way forward, in addition we would like to request Chris Hall's attendance. Let me know a suitable time for yourselves.

I look forward to hearing back from you
Kind Regards
Kellie

Hi Kellie,

Thanks for yesterday's RFI response. Could you let me know what FCC sites are currently using 19 05 03 as a filter medium.

Many thanks
