Hi Andy,

I've just picked up your voicemail, I was on leave the end of last week. I'll be away again next week and so please provide a response on the permit draft the following week beginning the 18<sup>th</sup>.

You mentioned FCC wanting to speak to a tech specialist. This wouldn't be appropriate prior to issue of the decision as the decision has been made and is not for further discussion at this time.

Kind regards

**Katie Dunmore**
