

Light Up Unicorn Wand	
Aspect	Details
Images	
PSD Number	2403-0082
Product Type	Toys – Light up wand
Product Identifiers	No identifiers available.
Product Description	A battery-operated blue light up unicorn wand.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Chemical, choking and burns
Risk Description	<p>The battery compartment on the products is not adequately secured, allowing easy access to the compartment and button cell batteries. The batteries may be placed in the mouth and swallowed, presenting a choking hazard for young children and causing damage to the gastrointestinal tract.</p> <p>Additionally, the product included electrical components with solder joints, and when tested, the solder was found to contain lead at a concentration that exceeds the 0.1% maximum limit specified, which presents an environmental hazard.</p> <p>The bag used for packaging poses a potential asphyxiation hazard to the intended consumer, and some of the required documentation was not present. The product does not meet the requirements of the Toys (Safety) Regulations 2011, or the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 (RoHS).</p>
Corrective Measures	All goods were seized from the retail premises and the product has been recalled from end users.
