Good afternoon,

I hope you are well.

I am ward councillor for the area where the Maw Green road landfill site is and as such I am very concerned about the safety of nearby residents, the wider area and the workforce at the recycling plant. It is hoped the landfill site will become a wildlife area when it ceases to be used for recycling and I want to make sure all who live near here at present and the many new residents on the vicinity of the site who will live in 500 new properties in a development very near to the site are as safe as possible.

I am concerned that the appellant wishes to appeal against the decision of the Environmental Agency and would like to object

to their appeal.

I hope this is acceptable.

Thank you

Kind regards

Hazel

Hi Hazel,

We have noticed signs put up on several lamp posts today regarding the landfill site and a meeting being held in Nottinghamshire which is unlikely anyone from here will be attending because of the distance.

Can you shed any light exactly what this is all

about?

It sounds important and obviously affects our estate!

Many thanks

Rachel Kennedy
