Dear [redacted],

Review of draft permit variation and consolidation

Application reference: EPR/BS7722ID/V009

Operator: 3C Waste Limited

Facility: Maw Green Landfill Site, Maw Green Road, Coppenhall, Crewe, Cheshire, CW1 5NG

I enclose a draft of your permit variation and consolidation. I'm sending it to you so you can check we've stated your details correctly and it covers the activities you applied for. We're not asking for comments on the conditions we've used or how the permit is presented.

If you've concerns about the conditions we've chosen please discuss this with me or Habiba and I can explain why they've been included. These wording of these conditions is standard. We will only consider changes to the wording in very exceptional circumstances.

The draft notice also shows the changes we have made to this permit. The reasons for these are to correct previous errors and update some conditions.

If you consider that there are any errors in your details or the activities stated, or if it refers to matters which you regard as being confidential or affecting national security, please let me know by **5th July 2023**.

Please contact me and/or Habiba by replying to this email if you have any questions.

Kind regards,
