Dear Sir or Madam,

Partial surrender of your permit is complete

Permit reference: EPR/CB3201HV/S004

Operator: THAMES WATER UTILITIES LIMITED

**Facility: Swindon CHP Plant and Standby Diesel Generators - Barnfield Road,
Swindon, SN2 2ST**

I'm pleased to confirm that our determination of your above partial surrender application is complete and the partial surrender takes effect immediately. We are not varying the permit now as part of this partial surrender, but the following plant will be removed from the permit during the variation to amend the activities to an installation activity:

1 x 3MWth standby diesel generator (AR3) – Grid reference: SU 13148 85696.

Please keep this letter in a safe place with your other permit records.

Yours faithfully

Caroline Braysher

Senior Permitting Officer – Installations, National Permitting Service
