

EMPLOYMENT TRIBUNALS

Claimant: Charles Duncan

Respondent: Department for Environment, Food & Rural Affairs

JUDGMENT

The claimant's application dated **19 January 2024** for reconsideration of the judgment sent to the parties on **26 January 2024** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the grounds on which the claimant seeks reconsideration were all considered at the hearing on 9 January 2024. At that hearing the claimant explained why he had not lodged his tribunal claim within the statutory time limit. That explanation was considered and taken into account in my judgment. There are no new grounds set out in his reconsideration application which would justify varying or revoking the decision.
