Our ref: FOI2024/00945
2 February 2024

Dear [Redacted],

REQUEST FOR INFORMATION: Salmonella contamination of Polish meat and eggs

Thank you for your request for information of 11 January 2024 about salmonella contamination of Polish meat and eggs. We have handled your request under the Freedom of Information Act 2000 (FOIA).

Your information request and our response are set out below.

Under FOI rules I request a copy of any letters sent by Emily Miles, FSA chief executive, and Christine Middlemiss, Chief Medical Officer, to the European Commission and Poland's Chief Veterinary Officer in 2023 relating to salmonella contamination of Polish meat and eggs.

Please find attached at Annex C the information we hold that is within scope of your request.

After careful consideration we have decided that the contact details of all staff should be withheld under regulations 12(3) and 13(1) and (2A) of the EIRs as the information constitutes personal data relating to persons other than you. These regulations exempt personal information from disclosure if that information relates to someone other than the applicant, and if disclosure of that information would breach any of the data protection principles in Article 5(1) of the UK General Data Protection Regulation (GDPR).

We consider that disclosure of this information is likely to breach the first data protection principle, which provides that personal data must be processed lawfully, fairly, and in a transparent manner. Disclosure would not constitute 'fair' processing of the personal data because the senior members of staff would not reasonably expect their contact details to be disclosed in relation to this request.

In our obligation to advise and assist under section 16 of FOIA we can advise that the Food Standards Agency (FSA) is the lead agency for this issue. Information on the actions taken to address the issue is available at the link below:

[FSA alerts consumers on salmonella and Polish poultry | Food Standards Agency](#)

Additionally, we believe that the FSA may hold further information of interest to you. They can be contacted at the following email address: information.governance@food.gov.uk.

Information disclosed in response to this FOIA request is releasable to the public. In keeping with the spirit and effect of the FOIA and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on [GOV.UK](https://www.gov.uk), together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

We attach Annex A, explaining the copyright that applies to the information being released to you, and Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter please contact me.

Yours sincerely

Complaints

If you are unhappy with the service you have received in relation to your request you may make a complaint or appeal against our decision under section 17(7) of the FOIA or under regulation 11 of the EIRs, as applicable, within 40 working days of the date of this letter. Please write to [Redacted], Head of Information Rights via email at InformationRequests@defra.gov.uk and he will arrange for an internal review of your case. Details of Defra's complaints procedure are on our website.

If you are not content with the outcome of the internal review, section 50 of the FOIA and regulation 18 of the EIRs gives you the right to apply directly to the Information Commissioner's Office (ICO) for a decision. Please note that generally the ICO cannot make a decision unless you have first exhausted Defra's own complaints procedure.

The ICO can be contacted using the following link:
