

# EMPLOYMENT TRIBUNALS

**Claimant:** L Knight

**Respondent:** J & S Metals

## JUDGMENT

The complaint of age discrimination is struck out.

## REASONS

1. The claimant complains of age discrimination.
2. On 22 November 2023 Employment Judge Lancaster warned her that there was nothing at all in her claim form to indicate that she had any grounds for making a complaint of age discrimination. Unless she provided further information about an age discrimination complaint by 6 December 2023 her complaint of age discrimination would be struck out as having no reasonable prospect of success.
3. The claimant has not responded to that warning, either to provide an explanation of an age discrimination complaint or to explain why the complaint should not be struck out.
4. Her complaint of age discrimination is therefore struck out. The claimant's other complaints are not affected by this judgment.
